Dear Mr. Popovich,

The Animal Protection League, the Feline Festival, and the Homeward Bound Animal Adoption Center extend our most sincere support for your efforts on behalf of shelter pets. Your unique style of training and use of shelter animals in your show lends credence to our belief that all pets are a joy to be cherished, a responsibility for a lifetime, and of great purpose and value in the world. Thank you for sharing this important message to all of those you entertain.

We wish you continued success.

Sincerely,

Barb Adrian, President
Animal Protection League
