Gregory Popovich
2514 El Paso Grande
Henderson, NV 89014

Dear Mr. Popovich,

Thank you for your concern for the homeless animals. Your adoption of animals from various animal shelters goes to show that "you can teach an old dog or cat new tricks". We in the animal business appreciate entertainers like yourself, who stress the importance of humane treatment and proper care of their pets.

Thank you again, for your continued support.

Sincerely,

Vicki L. Cameron
Administrator
